

Beasiswa Tanoto Foundation

The Scholarship Program provides opportunities for high-achieving young individuals coming from economic underprivileged families to pursue higher education. Our scholars are selected based on their outstanding academic performance, leadership potential, and strong sense of social responsibility. We groom our scholars to be leaders, funders and shapers of their communities by providing them with intensive counselling and conducting enrichment seminars.

On the scholarship program, Tanoto Foundation is currently partnering with 7 public universities in Indonesia; Institut Pertanian Bogor (Bogor), Institut Teknologi Bandung (Bandung), Universitas Gadjah Mada (Yogyakarta), Universitas Indonesia (Jakarta), Universitas Jambi (Jambi), Universitas Riau (Riau), and Universitas Sumatra Utara (USU).

Tanoto Foundation's scholarship program for bachelor degree is offered to students in following universities:

- Institut Pertanian Bogor
